If any of these items are lost, damaged or delayed, you will not be entitled to any reimbursement. You can declare excess valuation on certain baggage at the airport, additional fees will apply.
- **ADVICE TO INTERNATIONAL PASSENGERS ON CARRIER LIABILITY** - Passengers on a journey involving an ultimate destination or stop in a country other than the country of departure are advised that international treaties known as the Montreal Convention, or its predecessor, the Warsaw Convention, including its amendments, may apply to the entire journey, including any portion thereof within a country. For such passengers, the treaty, including special contracts of carriage embodied in applicable tariffs, governs and may limit the liability of the Carrier in respect of death of or injury to passengers, and for destruction or loss of, or damage to, baggage, and for delay of passengers and baggage.
- **Notice—Overbooking of Flights** - Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for compensation of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, including failure to comply with the carrier's check-in deadline which are available upon request from the air carrier, persons denied boarding involuntarily are entitled to compensation. *The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters and boarding locations. Some airlines do not apply these consumer protections to travel from some foreign countries, although other consumer protections may be available. Check with your airline or your travel agent.*
- **Personal Health** - For important health tips before your flight, including information on a serious condition called Deep Vein Thrombosis, please go to [united.com](http://united.com).
